

MMCP86METCF

CRIMPING TOOL FOR RJ45 PLUG MMCRJ45SC6ACF

+ BENEFITS

- Equipped with a blade: for cutting the wires associated with the MMCRJ45SC6ACF plug
- Space saving: Lockable in closed position
- Secure: Blades protected in closed position
- Ergonomic: Grip material for a better handling.

DESCRIPTION / APPLICATIONS

The RJ45 plug crimping tool MMCRJ45SC6ACF allows not only crimping but also cutting the wires directly on the plug. Thus, in one gesture, the plug is crimped without having to use any other tool.
